

# SURFACE WORLD

Exhibition, Magazine and Directory

Surface World is a monthly magazine, a trade event called Surface World Live and a yearly handbook & directory for the Surface Treatment Industries, all aimed at specifiers, engineers, designers and practitioners.

The magazine keeps you up-to-date on all things surface! It's a good place to refer to for all areas of the industry including the latest news, trends, products and services.

Once a year Surface World publishes a Handbook & Directory. This is a listing of all the well known companies from within the UK in the industry and is a good source of contacts for all your requirements, in one book!

If you would like to subscribe to the magazine please complete the form and post to Hill Media Ltd at the address below. As a subscriber you will receive 11 issues of the magazine and the yearly handbook free of charge.

If you are interested in Surface World Live either as a visitor or exhibitor please visit [www.surfaceworldshow.com](http://www.surfaceworldshow.com) for more information or call Nigel Bean on 01442 826826.
